Issue 1 : Summer 09 07

The premises which the The Eastern eye occupies is the work of architect Henry Edmund Goodridge, famous for his design of the entrance CORRIDOR to the High Street in Bath. This represents the finest and most resplendent architecture of the Georgian period. (circa 1824)

"...The dining room is a whole floor of a Georgian building with spectacular vaulted ceiling...Designer Curryhouse ...prices are reasonable...food is well prepared and staff friendly and efficient...you get your money's worth..." THE OBSERVER

Set in the Georgian building with an incredible triple-domed ceiling...the food far surpasses your average curry-house fare...plaudits from celebrity customers..." THE TIMES

The Eastern Eye, Bath

"This magnificent building with triple domed ceiling is something spectacular to see, this is not your usual curry house! Dining in The Eastern Eye is probably the closest you will get to the Taj Mahal in Agra! There extensive menu caters for most common dishes so you won't be lost finding the usual dish. This restaurant is worth a visit even if you have to drive for miles!"

The AAA Guide of Excellence
